

PerLei

ABOUT PerLei

PerLei Textiles Private Limited, located in Tirupur, commenced its operations in 2010 and since then, has established itself as a high quality knitted garment export company with advanced technology and infrastructure. We specialise in premium men, women and kids garments with technological alignment that comply with international standards.

We are at the forefront of innovation, design and export of knitwear garments to high-end global fashion brands across the world. Over the years, we have created and established our presence in European markets mainly in Spain, Sweden, Netherlands, Germany and Italy. We strive to capitalise our strengths in other international markets as well.

LEADERSHIP TEAM

Our Managing Director, Mr. Amit Mohatta, is a first generation passion driven entrepreneur, whose guidance and direction has helped the exponential growth of the company over a short span of time.

Our Director, Mr. Marcus Luz, provides fashion and design inputs and assists the company in having a strong foothold in the German market.

Our team of highly skilled professionals consistently endeavor to supply the finest quality range of readymade garments as per the specific needs of the client.

At PerLei, our manufacturing facilities have a capacity to produce over 400,000 garments per month. Our factory infrastructure is comprised of sophisticated knitting, stitching, printing and embroidery machines to create high-end fashion garments. We have a chain of expert manufacturers and traders for procuring all kinds of yarn and fabric such as cotton, blended, linen, organic, etc. We have also partnered with specialists in hand embroidery and rotary printing for further value additions. We specialize in T-shirts, Dresses, Nightwear, Short sets & Sweatshirts.

Maintaining high quality standards and ensuring timely delivery is of paramount importance to us. We are committed to serving our clients and achieving customer satisfaction is our key goal. We strive to explore and innovate the latest market trends in fabric and design. Our constant upgradation to the latest standards of garment quality, technique, and machinery enables us to offer superior quality products. It is the constant focus, supervision and determination to perform, that has helped us excel and achieve the well-recognized position in our domain.

VISION

To achieve sustainable growth and serve our clients to the best of our ability

MISSION

To adopt newer technology and machinery for innovative and fashionable clothing.

To adapt to the ever-evolving customer and market needs through product development and environment friendly operations.

To translate into a people-centric company wherein every employee takes responsibility and pride in its growth.
